

FIXED FOR ELECTRICITY & GAS

Giving you
Security & Certainty

No hassle, just security and certainty

How it works

You get a fixed price for the contract term.

All elements of the price are included in one.

Benefits

Have security in your energy price for the duration of your contract so you can plan ahead and budget.

No need to worry about market fluctuations or making trades.

“

I want certainty on my price and I'm too busy running my business to monitor and manage energy markets.

”

Key Features at a glance

- + Stable commodity price for the contract duration
- + No requirement to spend time and effort watching market price changes
- + Enables better budgeting for energy cost
- + Pick a term from 1 to 5 years

Why Total?

In addition to being one of the UK's largest energy suppliers and the most transparent in terms of pricing*, we offer a range of valuable services, including:

GREEN ENERGY

Choose Green to ensure your energy comes from 100% renewable UK sources

EV CHARGING

Future-proof your EV charging requirements with our world-leading networked technology

*According to our Energy Transparency Study, conducted by PwC, May 2016
